PROFESSIONAL SUMMARY

Finance and accounting professional with 4+ years of experience spanning financial advisory, business development, and data analytics — combining deep domain expertise with Python/SQL fluency, technical writing, and the rigorous evaluation skills that AI-training and evaluation projects demand.

CORE COMPETENCIES

4+ Years Experience | \$3.5M+ Pipeline Generated | \$20M Client Asset Growth | 60% Reporting Time Cut

PROFESSIONAL EXPERIENCE

Data & Reporting Analyst (Contract)

Independent / Freelance | Houston, TX (Remote) | May 2025 – Present

- Build automated reporting pipelines in Python (pandas, openpyxl) and SQL that consolidate multi-source financial data into executive-ready dashboards, cutting manual reporting time by 60%.
- Author technical documentation, data dictionaries, and metric definitions for internal models — ensuring every assumption, edge case, and source is traceable, the same documentation rigor applied to high-quality domain annotation.
- Perform fact-checking and quality review on AI-generated financial content, flagging factual errors, hallucinated citations, and imprecise terminology (e.g. conflating "alpha" with "excess return") before publication.
- Translate ambiguous business questions into structured analytical tasks with clear acceptance criteria and reviewer-friendly documentation — the same skill that makes for reliable, auditable evaluation work.

Business & Real Estate Consultant

PAC Consulting | Houston, TX | Oct 2024 – Apr 2025

- Achieved 125% of business development targets through strategic client acquisition and relationship management with high-net-worth prospects.
- Sourced 15+ qualified leads monthly through a consultative approach, converting them into long-term consulting partnerships.
- Collaborated with business partners to align client acquisition efforts, creating \$2.1M in new business pipeline across real estate and consulting services.
- Overcame objections around investment risk and market volatility by providing data-driven insights and comprehensive market analysis.

Financial Advisor

Equitable Advisors | Houston, TX | Oct 2021 – Apr 2024

- Exceeded performance benchmarks by 130% through persistent prospecting and relationship-building with high-net-worth decision-makers.
- Generated 12+ sales-qualified opportunities monthly by conducting in-depth financial assessments and identifying wealth-accumulation opportunities.
- Partnered with senior advisors to provide actionable insights on client interactions and market trends, driving portfolio growth and revenue expansion.

- Navigated complex financial objections and compliance requirements, maintaining consistent client acquisition and portfolio management across diverse investment strategies.

SKILLS

Domain Expertise:
